Mission

- Provide opportunities for business owners and professionals to network and develop an awareness of businesses and services within the community.
- Develop programs which foster business growth and development.
- Educate members regarding economic development opportunities.
- Provide employment training for 21st-century careers.
- Inspire youth entrepreneurship.
- Create an economic power base for businesses to affect positive social and economic change.
- Develop an accessible base of information and expertise for members' use.
- Maintain an organizational structure and financial resources to achieve and sustain the vision.

Vision

The Black Business Alliance Peoria Chapter seeks to provide educational information regarding workforce and business development, and also facilitate networking opportunities for business owners and professionals.

How to Help

Attend our monthly meeting from 6:00 to 7:30pm on the first Monday of each month (except holidays) inside the Minority Business Development Center incubator. You can also contact us by phone at (309) 966-3989, or by completing our online contact form.

We are a 501(c)(3) nonprofit, member-run organization composed primarily—though not exclusively—of minority business owners, entrepreneurs, service professionals, and other individuals and organizations. We offer education, networking opportunities and other assistance to entrepreneurs and existing businesses to help them increase their market potential. Through our Minority Business Development Center and radio station, WPNV 106.3FM, we provide one-stop assistance.

And don't let the name fool you! Our motto is: "We help keep your business in the **Black**, because the only color we see is **Green!**"
