Mission

Easterseals provides exceptional services to ensure that people with disabilities and their families have equal opportunity to live, learn, work and play in their communities.

Vision

Easterseals is changing the way the world defines and views disability by making profound, positive differences in people's lives every day.

How to Help

Easterseals provides services to over 5,700 children every year in central Illinois. In order to continue to provide services, the organization relies heavily on fundraising. You can help us raise more by donating or registering for any of the fundraising events at kidstherapyprogress.com.

We value our volunteers as they become part of the Easterseals family. See a complete list of all upcoming events that you can get involved with at kidstherapyprogress.com or call (309) 686-1177 to hear about upcoming volunteer opportunities.
