Mission

To put Christian principles into practice through programs that build healthy spirit, mind and body for all.

Vision

Our focus is to strengthen community by focusing on three key areas: youth development, healthy living and social responsibility. By investing in our kids, our health and our neighbors, the Peoria YMCA ensures that everyone, regardless of age, income or background, has the opportunity to thrive.

How to Help

Our community programs and scholarships depend on the generosity of individuals and institutions. If you would like to help support the Peoria YMCA's youth and community programs, visit peoriaYMCA.org/donate.

Everyone has something to offer. If you would like to volunteer your time, contact our staff at (309) 692-7631.

In addition to the heart-pumping workouts you may know us for, the Greater Peoria Family YMCA offers heart-filled help as a charity, focused on strengthening community. We help kids, adults and families from all walks of life reach their goals and contribute to solutions that improve communities. And we have been proudly supporting Peoria for more than 150 years.

While we have a membership base to help fund the running of our facility and gym, we rely on the generous donations, sponsorships and grants from local individuals and institutions to support our numerous community programs. It is through these programs that we meet the critical social needs throughout the Peoria region.

Key community programs include:

- Before & after-school care for nearly 300 kids
- Free Teen Reach program, giving 11-14 year-olds a safe and supportive space after school and throughout the summer
- 120 children attending our summer camp, with more than 30 percent receiving financial assistance
- Free East Bluff summer-long basketball league for more than 100 boys, 8-13

years old

- Swim lesson scholarships for people from underserved or low-income areas of our community
