Mission

Seeking to put God's love into action, Habitat for Humanity brings people together to build homes, communities and hope.

Vision

A world where everyone has a decent place to live.

How to Help

Habitat for Humanity offers a variety of ways to get involved. We provide on-site construction volunteering, which requires no experience and usually occupies half of a day. Habitat also coordinates group volunteering, so if you have an organization you would like to commit to volunteering, please get in touch with our volunteer coordinator at (309) 676-6729, ext. 2. If you would rather work indoors, we are always accepting volunteers at our ReStore locations as well.

Involvement doesn't stop at volunteering, though! We accept monetary, land, estate, furniture and vehicle donations too. For more information, visit habitatpeoria.org or call (309) 676-8402.

Habitat for Humanity of Greater Peoria builds quality homes that are affordable to low- and moderate-income families. We work with our families throughout the building process to help them prepare for the responsibility of homeownership. We provide preparedness classes, from budgeting to home maintenance. Our homeowners take on a 20-year, no-interest mortgage.

SPECIAL BUILDS

Habitat also has special builds, such as the Women Build and the Veteran's Build, called Habitat for Heroes, and designs special days for companies and teams to volunteer.

A BRUSH WITH KINDNESS

This program encompasses non-critical outdoor repair projects for low- to moderate-income homeowners. These projects are usually able to be completed in a day.

VETERAN REPAIR PROJECTS

Our newest program involves repairs on veterans' homes, ranging from small to moderate repairs.

Visit habitatpeoria.org for additional details on all of our programs.
