Michael D. Stephan, President

Mission

To increase the organized capacity of people in central Illinois to care for one another.

Vision

To create a strong, safe and healthy community while providing the best return for the community's charitable investment.

How to Help

Each year, more than 300 local companies and organizations participate in the Heart of Illinois United Way's annual campaign. With more than 25,000 volunteer hours completed in central Illinois each year, United Way volunteers are not only vital to our campaign, they also participate in fundraising events such as Power of the Purse and GENeration United's Mad Dash. For events and volunteer opportunities, visit hoiunitedway.org.

The Heart of Illinois United Way is the largest non-governmental funder of health and human care programs in central Illinois. Focused on education, financial stability and health needs, the Heart of Illinois United Way serves Peoria, Tazewell, Woodford, Marshall, Stark and Putnam counties.

With more than 45 local partner agencies, we fund more than 80 programs annually, along with providing services through our initiatives including Success By 6, Supporting Student Success (S3), and the Heart of Illinois 2-1-1 Information and Referral service.
