Mission

The OSF HealthCare Foundation serves to help assure the future integrity of the OSF HealthCare Mission: "In the spirit of Christ and the example of Francis of Assisi, the Mission of OSF HealthCare is to serve persons with the greatest care and love in a community that celebrates the gift of life."

We work to:

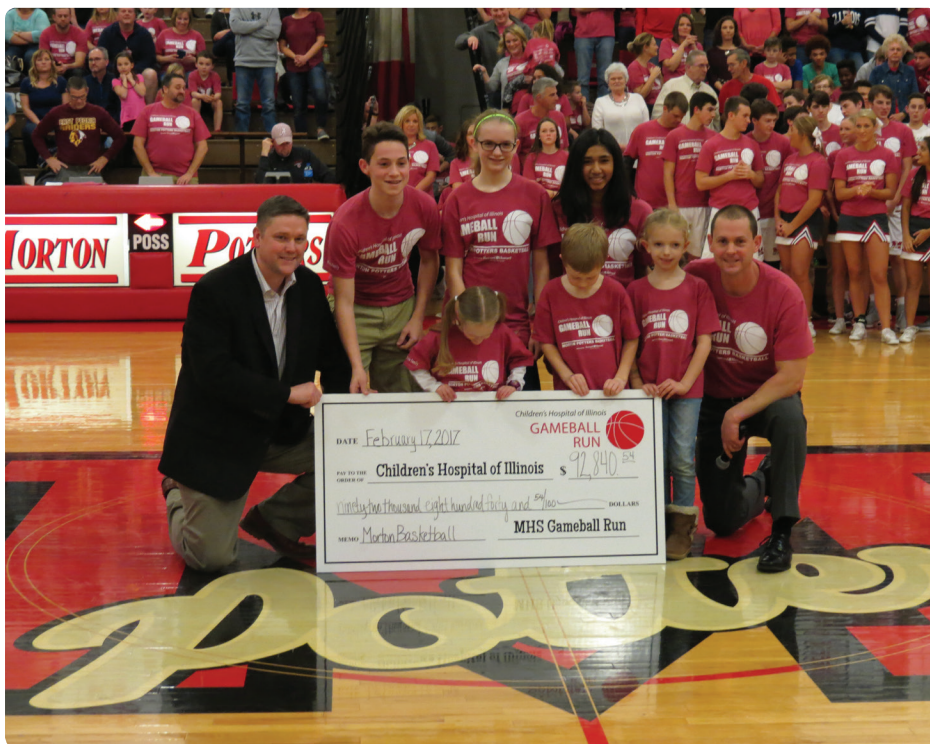

- Cultivate and maintain positive, mutually beneficial relationships with donors;
- Encourage participation from volunteers and donors;
- Plan and execute fundraising events;
- Provide accurate appropriation and responsible stewardship of all donor gifts; and
- Spread awareness of the OSF HealthCare Mission.

Vision

Together, through philanthropy, obtain resources crucial to enhancing the OSF HealthCare Mission.

How to Help

Interested in getting involved? Visit us at osfhealthcarefoundation.org to learn more about our events and giving programs, including monthly giving, corporate giving and planned giving. Beyond monetary donations, our doors are always open to those willing to donate supplies, toys and their time. For specific questions about how you can give back and support those in need, call the OSF HealthCare Foundation office at (309) 566-5666.

The OSF HealthCare Foundation supports 11 hospitals across six service lines, two colleges of nursing and one innovation center through philanthropy.

A gift to the Mission of OSF HealthCare is a celebration of life. It empowers us to answer life's "what ifs" with the greatest care and love. It enables us to continue to meet the health needs of our communities. It nurtures healing and allows us to treat patients at all stages of their lives.

Gifts help us address the needs of the whole person—from physical to spiritual and emotional. Gifts to OSF HealthCare impact the lives of our patients, their families and our staff of dedicated caregivers. Gifts can be designated to support any area of the OSF Ministry in any community we serve.
